Origami House Exhibition 5th March - 10th April 2005

Origami House is a large 3m x 3m x 2m house made from origami bricks and designed by Melbourne Origami Group, international contributors, and local school children. The house will be filled with origami domestic items, chairs, tables, chess sets, local animals, cups, flowers, and a few surprises!

Latrobe Regional Gallery presents Folding Australia 2005 Australia's first international Origami Convention

About the event

Latrobe Regional Gallery and Melbourne Origami Group will host a fun weekend for folders of all ages and experience. Key events of the convention are: Master classes with international guests, classes for all ages taught by Australia's leading folders, public workshops and an exhibition of current Australian and international origami works. Folding Australia 2005 is a time and place to meet, learn and exchange ideas with contemporary Australian and international folders.

International Guests

A large part of what makes an origami convention so interesting is the variety of guests it attracts. Folding Australia is proud to announce its guests from the Japanese Academic Origami Society, Makoto Yamaguchi, Jun Maekawa and Satoshi Kamiya. These 3 have an enormous influence on origami in Japan and around the world, having collectively published over 60 books.

Who should attend

Folding Australia is devoted to origami enthusiasts of all ages. All experience levels, from beginners through to highly advanced folders designing their own models are welcome. Origami is a wonderful art that is constantly evolving and the convention will highlight the diversity of the medium.

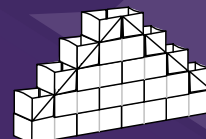

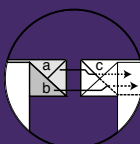

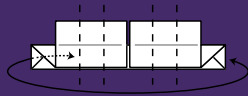

Registered visitors will receive:

Master classes, an origami show bag sponsored by Dragon Papers, morning tea, afternoon tea, and lunch on both Saturday and Sunday.
